Pass through the town of Deming to Highway 9 (0.7 miles east of the Nooksack River Casino).

Turn right onto Highway 9. Sign says "Sedro Woolley" and Acme.

**Miles from previous landmark:**

2.0 miles      *pass* "Everybody's Store" in Van Zandt

5.3 miles      *pass through* the town of Acme (Café and Bar, General Store, Post Office, Fire Station, and Gas Station)

1.7 miles      **Turn left onto Maleng Road.** This is the world's easiest turn to miss. The "Maleng Road" sign on Highway 9 is on top of a little hill, but the actual turn is on the very next little hill and you won't see the turn until you are **right** on top of it. A hint is the power lines going crossways across Highway 9. (*If you miss it, read below*).

0.3 miles      **Turn right onto Lay Road.**

0.3 miles      **Turn left onto Saxon Road.**

1.6 miles      *cross over* the South Fork of the Nooksack River

0.5 miles      **Enter Blue Mountain Farm.** You'll see a white sign next to the driveway. Just drive all the way in and park.

**Miss the Maleng Road turn? you have two options:**

- 1) turn around and make the turn from the south (*but you thought of that already, didn't you?*).
- 2) drive on south to the intersection of Saxon Road with Highway 9. Turn left and stay on Saxon Road. It will cross over the South Fork of the Nooksack, and Blue Mountain Farm will be ½-mile beyond the bridge.
